

## CY2023 STP, TA and CR Projects Unable to Fund

Project Sponsor	Project Name	Project Location	Project Description	Federal Funds Requested
City of Beavercreek	North Fairfield Road at Beaver Vu Drive Intersection Reconstruction	North Fairfield Road at Beaver Vu Drive.	Reconstruction of the intersection to add an additional westbound (dual left) turn lane for traffic travelling westbound on Beaver Vu Drive to southbound on North Fairfield Road. Sidewalk and curb upgrades will be included as needed, for ADA and repairs. Sidewalk along the north side of Beaver Vu Drive will be constructed to accommodate bicycles.	\$511,500
City of Centerville	Centerville Station Road Improvements, Phase 2	Centerville Station Road from Braewood Trail to 600' east of Park East Court.	Widening from a two lane section to a three lane section. Also included is reduction of a vertical sight distance problem and installation of a multi-use trail and sidewalks.	\$2,991,037
City of Centerville	Main Street Uptown Improvements	SR 48 from Franklin Street to Ridgeway Drive and Ridgeway Drive from SR 48 to Lyons Drive.	Widen SR 48 to a five lane section on both ends of the Ridgeway Drive intersection. The Ridgeway Drive intersection with SR 48 will be reconstructed and realigned to include ADA compliant curb ramps, crosswalks and a traffic signal that is coordinated with others in the area. Improvements to the intersection of SR 48 and Franklin Street (addressing curb radii and an ADA compliance pinch point on the east side of the intersection) will be included.	\$2,474,027
City of Fairborn	Xenia Drive Improvements	Xenia Drive in Fairborn from the I-675 southbound ramp to Trebein Road.	Remove and reconstruct the roadway to a lower elevation, install new storm infrastructure, install a new multi-use path, and mill and resurface the asphalt portion of the roadway.	\$3,000,000
City of Franklin	SR 73 Improvement Project	SR 73 from South Dixie Highway to the Warren County Line.	Roadway milling and resurfacing. This project will also upgrade and expand the existing centrally controlled signal system. ADA ramps, walks and pedestrian signal heads will be installed along with some landscaping.	\$2,430,000
City of Trotwood	Wolf Road Resurfacing	Wolf Road from Salem Avenue to Turner Road.	Pavement planing and asphalt concrete overlay. Also included are full depth base repairs at damaged locations, adjusting manholes and water valve boxes to grade, and new pavement markings. New ADA compliant curb ramps will be constructed at existing intersections including the signalized intersections at Salem Avenue, Whitestone Court and Turner Road. New pavement loops will be installed on Wolf Road at the signalized intersection with Whitestone Court.	\$725,911
Greene County Engineer	Dayton-Xenia Road Resurfacing Project	Dayton-Xenia Road from Trebein Road to the Xenia west corp limit.	Roadway resurfacing. Also included is connecting sidewalks from North Progress Drive to Pierce Park and placing two new ADA ramps.	\$920,380
